

IRTApack® DUO & MARKETING
A NEW CREATIVE HORIZON

IRTApack® DUO

Dual possibilities packaging for your brand

Its creative possibilities allow you to conquer a new horizon in the market, creating product combinations that have been impossible up to now and providing your brand with a competitive and differentiating advantage.

GIVE FREE REIN TO
YOUR CREATIVITY

CREATE YOUR OWN
COMBINATIONS OF
PRODUCTS

Its exclusive and creative dual-compartment design allows packaging to be done as part of the manufacturing process, with two different products in the same bag yet separate and maintaining the inalterable characteristics of each one.

Also allows for each compartment to be opened independently, to ensure better conservation.
